# About Organization

## 1.1 Introduction to Organization

Mahayogi Gorakhnath Maharishi Patanjali Yog Sansthan is established under S.R. Act 1861 with Registration No.- 4308/2018-2019 of Government of Uttar Pradesh (workspace- All India) and C.R. Act, 1957 of Government of India with Diary No.- 14401/2018. Headquarter of the Organization is at Agaganj - Tikri- Ayodhya (U.P)-224195. The importance of Yoga and Naturopathy has been valued throughout our history and, as you will have seen; its popularity has grown immensely in the past few decades.

Mahayogi Gorakhnath Maharishi Patanjali Yog Sansthan Ayodhya provides Yoga Centers in various colleges, professional institutes and corporate sectors. It has a huge network to provide yoga education and their advertisement all over the world and also provide yoga teachers and instructors across the globe.

Organization engaged in propagating the academic, therapeutic and research application of Yoga through IAOY. So far, the organization has set up branches in several states of India, number of regional yoga organizations and groups which have enrolled numerous members or regions are involved in yoga cultural research, yoga teaching and training and yoga industry development etc.

## 1.2 Mission & Vision

Mahayogi Gorakhnath Maharishi Patanjali Yoga Sansthan an institution that has emerged as a medicine for humanity in the present times, has come before all of us. To improve the civilization of human life, Mahayogi

Gorakhnath Yoga Institute has been started by India in the field of Yoga. In view of the need of the present times under this campaign, we have given a new life to Yoga and Naturopathy in the heritage of our Indian culture. . But yoga is also being expanded in rural areas. The objective of our institute is to remove the expenses of the common people at the present time, and to provide longevity by providing good health to the general public at a low cost through Yoga therapy, for which they also need to depend on others. Are not. He himself can learn this alternative medicine and adopt it regularly in his life. Realizing the importance of mental health along with physical health, the biggest reason for the deterioration of mental health at the present time, which is achieved due to lack of employment, is to overcome it by providing employment.

We provide only Diploma in yoga (full 12 months course), and Diploma in Naturopathy and Yogic Science (DNYS) three year course to the youth by getting only the cooperation amount for very little expenditure by our institute and by providing yoga education to the people living in rural areas, the education of yoga should reach home Provide employment as a yoga instructor for.

We also launch a program completely based on School students from class 1 to 12 in 200+ CBSE school named Mahayogi School Yoga Program (MSYP). The course is divided into 3 categories based on the ages of students viz. Prathama Yogakalp, Dwitiya Yogakalp and Tritiya Yogakalp.

We welcome all of you as members of our family in this institution that all of you should also be a part of this mission and extend your cooperation with all of us by extending our support in this new revolution of yoga.

# Message from Founder

Mahayogi Gorakhnath Maharishi Patanjali Yog Sansthan Ayodhya is focusing on various courses for promotion. Yoga cannot be overlooked as the best important means of achieving multidimensional goals like education and health. I am fully competent in the field of new options. This is a holy campaign.

In view of the importance of Yoga and Naturopathy in the present situation of global India, it is a matter of pride that we have been continuously marching in this field. Apart from the Director, Administrator and other staff of this Organisation, there are rich social, religious and educational institutions. I am grateful to the Administrators and Sectors of Indian government who have come together to convert this great campaign into a great movement. According to the Ministry of Health and Family Welfare Government of India Naturopathy Practitioner can use the title of 'Doctor' as a suffix before their name in terms of letter dated 25-11-2003.

In our organization a specified course named DNYS which is 3 years diploma has been introduced in the stream of 'Alternative Medicine'. This course is for those students who have interested in Yoga and Naturopathy and make their future bright.

Government constituted a 'Standing Committee of expert' under the Chairmanship of Director General, Indian Council of Medical Research and members were drawn from various fields of medicine to consider and give its recommendations to the government on the efficacy/merits of various streams of alternative medicine and also examine feasibility of making legislation as suggested by the Hon'ble Court. The Yoga and Naturopathy was one of them.

**Best wishes for new success !**

# Message from Director

This life is like a changing season. Sometimes stormy cold winds, sometimes scorching hot summer, sometimes gloomy autumn, sometimes green spring and sometimes rain showers. But true humility is the one who lives according to the changing social and ecological conditions of life. There is no worry on the path, it keeps on increasing with enthusiasm in a contemplative state.

Worry from today to contemplation, from negativity to positivity, from unhealthy mind to healthy mind, if anyone can save from today's fateful situation, then it is the method of Yoga and Naturopathy cherished by ancient sages.

Through Yoga and Naturopathy, not only can we keep the enthusiasm of life intact, we can also make the future children bright, energetic, cultured and healthy.

I am grateful to the founders and other staffs of various social and religious institutions, colleges, schools, who are joining us in joining our organization in the aim of keeping the dignity yoga Guru in India intact. The DNYS course is the best option for the interested students who willing to make their future bright and they are welcomed in the field of Alternative medicine science.

All the best !

# Diploma in Naturopathy & Yogic Science (D.N.Y.S)

Diploma in Naturopathy & Yogic Sciences (DNYS) is Diploma level Yoga and Naturopathy course. First, Yoga is a physical, mental, and spiritual discipline, originating in ancient India aiming the attainment of a state of perfect spiritual insight and tranquility while meditating on Super soul. Second, Naturopathy is a form of alternative medicine based on a belief in vitalism, which posits that a special energy called vital energy or vital force guides bodily processes such as metabolism, reproduction, growth, and adaptation.

## **ABOUT COURSE**

Eligibility: 10+2

Duration: 3 Year

Type : Diploma

## **How is Diploma in Naturopathy & Yogic Sciences (DNYS) Course Beneficial ?**

Scope for yoga and naturopathy are both in private hospitals and health centers. They can also start their own Yoga Centers in populous places.

As naturopathy is getting importance day by day all over the globe including India, among people who wish to escape the various side effects and symptoms, which are caused by the allopathic system of medicine. Therefore, the scope of employment in this sphere is wide.

The instructor with excellent and good skills also can open and provide education relating this course outside India also.

In recent time the yogic system of India is being popular day by day. Hence, they in return can get good career opportunities.

No. R. 14015/25/96-U&H(R) (Pt.)

**भारत सरकार**  
**स्वास्थ्य एवं परिवार कल्याण मंत्रालय**  
(अनुसन्धान शाखा)

निर्माण भवन, नई दिल्ली  
दिनांक 25 नवम्बर 2003

**आदेश**

वैकल्पिक चिकित्सा पद्धति (अल्टरनेटिव) की विभिन्न शाखाओं जिनमें इलेक्ट्रोपैथी/इलेक्ट्रो होम्योपैथी की मान्यता का मामला सरकार के विचाराधीन रहा। इस प्रक्रिया में सरकार ने माननीय दिल्ली उच्च न्यायालय की एक न्याय याचिका संख्या 4015/96 एवं ओ.एम.नं. 8468/97 के दिनांक 18-11-98 के आदेश पर विचार किया जिसने केन्द्र/राज्य सरकार को विचार कर स्थायी और नवीन संस्थाओं को लाइसेंस आदि देने का कानून निर्माण करने का निदेश दिया था, जिससे अमान्य वैकल्पिक (अल्टरनेटिव) चिकित्सा पद्धतियों का विनियमन एवं नियंत्रण हो सके तथा सूचना प्रसारण के माध्यम से आम जनता को पर्याप्त जानकारी प्रतिवादियों के विषय में वैसी है। अन्य संस्थाओं जो सरकार और अन्य किसी परिषद से मान्यता प्राप्त नहीं है, हो सके।

सरकार ने महानिदेशक, भारतीय चिकित्सा अनुसन्धान परिषद की अध्यक्षता में एक विशेषज्ञ समिति बनाई जिसके सदस्य चिकित्सा विभाग के विभिन्न क्षेत्र से लिए गये जो सरकार को अपने विचार और संस्तुति वैकल्पिक (अल्टरनेटिव) चिकित्सा पद्धति की विभिन्न शाखाओं की क्षमता/श्रेष्ठता तथा माननीय न्यायालय द्वारा निर्देशित नियमों के बनाने की साध्यता का परीक्षण करके देती है।

समिति ने चिकित्सा की नवीन शाखा की मान्यता प्रदान करने के लिए आवश्यक एवं वांछनीय सिद्धान्तों की प्रगति तथा वैकल्पिक चिकित्सा पद्धति की विभिन्न शाखाओं जैसे आयुर्वेद, सिद्ध, युनानी, होम्योपैथी, योग और प्राकृतिक चिकित्सा (नेचुरोपैथी), इलेक्ट्रोपैथी/इलेक्ट्रो होम्योपैथी, एब्युपंचर, मैग्रेटोपैथी, रेकी, रिप्लेक्योलांजी, युरिनथेरेपी/आटोरिनथेरेपी, हिप्नोथेरेपी, एरोथेरेपी, कलर थेरेपी, प्रैक्टिक हीलिंग, जेम्स एण्ड स्टोन थेरेपी और संगीत चिकित्सा का विश्लेषण किया।

समिति ने इनमें से किसी भी वैकल्पिक चिकित्सा की वैधता को नहीं मान्य किया केवल पहले से मान्य व्यावसायिक परम्परागत चिकित्सा पद्धतियों यथा (आयुर्वेद, सिद्ध युनानी, होम्योपैथी नेचुरोपैथी और योग) की समिति ने निर्धारित आवश्यक तथा वांछनीय सिद्धान्तों की प्रगति से पूर्ण होने के कारण, मान्यता के लायक माना।

किसी भी तरह समिति ने संस्तुति पूर्वक कहा है कि निश्चित व्यवसाय एब्युपंचर और हिप्नोथेरेपी जो चिकित्सा पद्धतियों के दर्ज लायक है, इनको पंजीकृत चिकित्सा व्यवसायी इन पद्धतियों का प्रशिक्षण लेकर कर सकते हैं।

समिति ने आगे सुझाव दिया कि चिकित्सा की वे सभी पद्धतियाँ जो मान्य नहीं हैं: उनकी पूर्णमासिक स्नातक, परस्नातक डिग्री पाठ्यक्रम चलाने की अनुमति नहीं दी सकती तथा भारत सरकार द्वारा मान्य पद्धति (एलोपैथी, आयुर्वेद, होम्यो, युनानी, सिद्ध, नेचुरोपैथी, योग) के चिकित्सक ही अपने नाम के साथ 'डॉक्टर' शब्द प्रयोग करेंगे। जिन्हें चिकित्सा का माध्यम माना गया है उन्हें सर्टिफिकेट पाठ्यक्रम मानकर पंजीकृत चिकित्सा व्यवसायी के रूप में अपने अभ्यास में माध्यम के रूप में प्रयोग कर सकते हैं चाहे आधुनिक चिकित्सा पद्धति या भारतीय चिकित्सा पद्धति या होम्योपैथी।

समिति की विभिन्न संस्तुतियों को सावधानी पूर्वक परीक्षण करने के पश्चात सरकार ने समिति की इन संस्तुतियों को स्वीकार किया जिसमें यह निवेदन किया गया है कि राज्य/संघ शासित राज्य सरकार निर्णय के प्रसार के लिए विस्तृत विज्ञापन दे सकती है। वे यह भी निर्णय कर सकते हैं कि जिसकी मान्यता के लिए संस्तुति नहीं की गयी है। राज्य/संघ शासित राज्य सरकार के अधीन संस्थान कोई भी डिग्री / डिप्लोमा चिकित्सा शाखा में प्रदान नहीं करेंगे तथा मान्यता प्राप्त चिकित्सा पद्धतियों (एलोपैथी, आयुर्वेद, होम्यो, युनानी, नेचुरोपैथी और योग) के चिकित्सा व्यवसायी ही अपने नाम के साथ 'डॉक्टर' शब्द का प्रयोग करेंगे।

यह सचिव (स्वास्थ्य) स्वास्थ्य एवं परिवार कल्याण मंत्रालय की सहमति से जारी किया जाता है।

No-R.14015/25/96-u&H(R)(Pt.)  
government of India  
Ministry of Health & family Welfare  
(research Desk)

Nirman Bhawan, New Delhi  
dated the 25 th November, 2003

## ORDER

The matter regarding grant of recognition to the various streams of alternative medicine including electroopathy/electrohomoeopathy, has been under consideration of the govt. In this process govt. has considered the orders dated 18.11.98 of the Hon'ble High court of Delhi in CWP No. 4015/96 & Om No. 8468/97 which has inter-alia directed the central/State govts. to consider making legislation to grant of licenses to the existing and new institutes etc. to control & regulate the various 'unrecognised' streams of alternative medicines and also to give adequate publicity through media informing public about the 'Respondents' and similar other institutes not being recognized by the govt. & affiliated with any of the Councils.

Government constituted a "standing committee of Experts" under the chairmanship of Director general, Indian council of Medical Research and members were drawn from various fields of medicine to consider & give its recommendation to the Government. on the efficacy/merits of various streams of alternative medicine and also examine feasibility of making legislation as suggested by the Hon'ble court.

The committee developed essential & desirable criteria for grant of recognition to a new stream of medicine and analysed the different streams of 'Alternative medicine viz. Ayurveda, Siddha, Unani, Homoeopathy, Yoga & Naturopathy, electroopathy/Electrohomoeopathy, Acupuncture, magnetotherapy, reiki, reflexology, Urine therapy/ autourine therapy, Hypnotherapy, Aromotherapy, colour therapy, pranic Healing, Gems & Stone therapy and Music therapy.

The committee did not recommend recognition to any of these alternative medicines except the already recognized traditional systems of medicines, viz. ayurveda, Siddha, Unani, Homeopathy and Yoga & Naturopathy which were found to fulfill the essential & desirable criteria developed by the committee for recognition of a system of medicine, the committee has however, recommended that certain practices as Acupuncture and Hypnotherapy which qualified as modes of therapy, could be allowed to be practised by registered practitioners of appropriately trained personal. the committee further suggested that all those Systems of Medicine not recognized as separate systems should not be allowed to continue full time Bachelor and Master's degree courses and the term "Doctor" should be used only by practitioners of systems of Medicine recognized by the Government of India. those considered as Mode of therapy can be conducted as Certificate courses for registered medical practitioners to adopt these modes of therapy in their practice whether medicine or Indian systems of Medicine and Homoeopathy.

After careful examining the various recommendations of the committee the Government accepted these recommendations of the committee. Accordingly, it is requested that the State/UT Govt. may give wide publicity to the decision of the govt. they may also ensure that institutions under the State/UT do not grant any degree/ diploma in the stream of medicine which have not been recommended for recognition and the term 'Doctor' is used by practitioners of recognized system of medicine.

This issues with the approval of Secretary (Health), Ministry of Health & FW.
