The centers are certified and registered on our portal so anyone can search and get benefited through them.

## Mission & Vision

Mahayogi Gorakhnath Maharishi Patanjali Yoga Sansthan an institution that has emerged as medicine for humanity in the present times has come before all of us. To improve the civilization of human life, Mahayogi Gorakhnath Yoga Institute has been started by India in the field of Yoga. In view of the need of the present times under this campaign, we have given a new life to Yoga and Naturopathy in the heritage of our Indian culture. But yoga is also being expanded in rural areas. The objective of our institute is to remove the expenses of the common people at the present time and to provide longevity by providing good health to the general public at a low cost through Yoga therapy, for which they also need to depend on others. Are not. He himself can learn this alternative medicine and adopt it regularly in his life. Realizing the importance of mental health along with physical health, the biggest reason for the deterioration of mental health at the present time, which is achieved due to lack of employment, is to overcome it by providing employment. We welcome all of you as members of our family in this the institution that all of you should also be a part of this mission and extend your cooperation with all of us by extending our support in this new revolution of yoga.

**All donation is exempted from Income Tax under section 80 - G**
